

# Central Ohio Veterans Stand Down

– Serving All Veterans

## 2020 Stand Down Press Release

Release Date: August 2020

We are postponing our 2020 program to October 2021. We are unable to obtain the required protocols, PPE and related safety equipment for the 2020 Stand Down. As a result, we are unable to insure the safety and health of all Veteran guests, providers, and volunteers.

### Donations are OPEN!

As always, one hundred percent of all donations will be used at Stand Down. With your help we are able to provide all of our services free to Veterans. Check our website for donation information.

A special thanks to all our Partners, Providers, Donors, and Sponsors in Central Ohio who believe in our Veterans. Our services are important to our Veteran guests, but their safety is always first!

Each year, Stand Down invites Veterans from Franklin and the surrounding 10 counties. Per the 2018 census the number of male and female Veterans combined is 114,427. Our hope is to serve as many Veterans as possible – with your help.

2021 will be our “25<sup>th</sup> - plus 1 year” anniversary as a Veteran-focused service in central Ohio. We look forward to celebrating!

Together, we’re enhancing the lives of our Veterans by offering them recognition and hope, where oftentimes there is none.
